## From the desk of Principal

*"An Education isn't how much you have committed to memory, or even how much you know. It's being able to differentiate between what you know and what you don't"*

S.K.K.E.S under the aegis of Sheth Motibhai Pachan Rashtriya Shala Trust is committed to preparing our students as global citizens equipped with the life skills required to meet the challenges and changing needs of the world.

It gives me immense pleasure to see the students with perpetual energy, movement and enthusiasm. We are a

school with a difference .We value individualism, creativity and innovation and strive to nurture them in our students.

S.K.K.E.S provides a warm, caring and challenging environment in which our students learn and develop .Our focus is to reach out to each and every child of the school because each child of the school is unique and every child is precious .We are looking at happy children, eager to learn, positive in outlook and ready to take on any and every challenge.

The result of Std.X was declared on 18<sup>th</sup> May'2014.As usual we had excellent results this year with the pass percentage of 100% and our students came out with flying colours .

This was due to dedicated efforts of teachers and their endless hardwork along with the hardwork put in by the students.We truly appreciate the constant encouragement provided by the management and ofcourse the support by the parents.
