Challenging heights....is our motto

**WELCOME TO SMPRS FAMILY**

**Sheth Motibhai Pachan Rashtriya Shala Trust** was established in the year 1941 and has successfully completed 82 glorious years. The growth of the school has been organic and the institution is well-known all-over Mumbai as a centre of excellence which due to the strong foundation laid, the dedication, vision and wisdom of the Management and its Faculty Members. SMPR Trust School will continue to flourish and prosper in the years to come and the students who emerge from the August portals, will also hold their heads high and proclaim that they are SMPRites.

**SHETH KARAMSHI KANJI ENGLISH SCHOOL**, managed by S.M.P.R. SHALA TRUST is affiliated to the CBSE Board, Delhi. It enjoys an important place in Mumbai's education map and provides a progressive, broad based and comprehensive education to all students. We have classes from Nursery upto Class X with a strength of 2134 students.

Along with Gujarati medium, English medium is a recognized name in the area and our children have achieved success in various **Curricular and Co-curricular activities**. We train our young generation to be vibrant and dynamic which helps in developing their self-confidence.

Jr. College for XI and XII with Commerce and Science streams has completed 12 years. We are proud to announce that, soon we are going to come up with a degree College.

This Educational institution has been envisaged as a seat of learning where every child will get a holistic education and grow into a well-balanced individual. It imbibes in our children a drive to strive and stretch beyond the limits.

**Our 15th batch of CBSE class X students also made us proud with 100% result.**

The students of Sheth Karamshi Kanji English School have made us proud by their wonderful results in AISSE 2023. They came out with flying colours with toppers scoring 98.2%. School has achieved 134 distinctions and 33 first class. We have 100 marks as highest in French, Sanskrit, Math, Social Studies and FMM. Our students took admission in various colleges in different streams.

In this process we have given children a broader outlook, greater awareness and a competitive edge. We look forward for greener fields and newer pastures in education. Our teaching pattern enlightens raising the ordinary child to levels of excellence.

**Our toppers are**

Rank	Name of the student	Marks
First	Sharvi Thakkar	491/500
	Ridham Nagda	491/500
Second	Yash Thakker	489/500
Third	Aarav Malde	487/500
Fourth	Janak Darji	486/500
Fifth	Nishita Oswal	485/500

The continuous efforts of students, teachers, and parents has culminated into a wonderful result. We are indeed very proud and happy for entire batch of students.

# The Pre-Primary Section

The cognitive development of the child is highest during the formative years and the pre-primary curriculum has been effectively designed to ensure that children get to the next stage of learning with confidence.

**Sheth Karamshi Kanji English School's** vision is to produce highly motivated and self-driven citizens of tomorrow. We strongly believe that every child is unique and our endeavour is to provide experiences that support each one of them to achieve their unique potential. The Early-Stage learning program designed for prep classes is stimulating, engaging, and inquiry-based with technology integrated in the teaching-learning process. Our classrooms provide a safe and caring learning environment that promotes age-appropriate and all-round development. We believe that along with academics, soft skills like honesty, integrity, and team spirit need to be nurtured at a tender age and this is done in our school through various activities that are conducted throughout the year.

Early-stage curriculum includes

Play way method of learning

Understanding the world

Language and Mathematics

Physical, fine-motor and gross motor skills

Music  
Dance and  
Art & craft

We strive to create a safe and child sensitive atmosphere, which is the need of the current education pattern. We take efforts to bond with students and interact with them to understand their learning requirements better. Communication with the students helps us to understand the importance of the freedom of speech and expression. Today's education should instill confidence in students so that they can express their thoughts effectively.

We offer a wide range of scholastic and co-scholastic activities ranging from kinesthetic learning, higher-order skills, and logical thinking to physical activities.

Learning cannot be just restricted to classrooms anymore we need to incorporate as many elements as possible to facilitate learning among students. We strive to deliver the best possible education pattern to groom our children to become successful and better human beings for tomorrow. We also provide a carefully planned and structured environment in which the child grows and learns in a natural way.

**Sheth Motibhai Pachan Rashtriya Shala** is a very special place – a dynamic educational community created by the interaction of dedicated Management members, enthusiastic parents, and committed faculties.

Our aim is to focus on three key elements, **“Knowledge”, “Skills” and “Attitudes”**, for a balanced development of children in ethical, intellectual, physical, social, and aesthetic aspects. By these three elements, our children will be well prepared for life and lifelong learning.

# OBJECTIVES

**Sheth Karamshi Kanji English School** aims to provide children with a safe, secure, and nurturing environment for their overall development.

- To stimulate and satisfy the child's curiosity about the environment.
- To foster interest through opportunities, to explore, investigate, and experiment.
- To channel his/her energy through recreational activities.
- To develop the child's ability to express his/her thoughts and feelings in a fluent language and in a confident manner.
- To inculcate good habits, social manners and etiquette in the children.
- To enlarge the mental horizons and broaden the outlook of the children.

## ACADEMIC EXCELLENCE - OUR GOAL

We have highly qualified and knowledgeable teachers, who teach the children in a conducive environment. Once the concepts are cleared, the projects and the practical applications are carried out in our well-equipped Science lab, Mathematics lab, and Air-conditioned Computer lab. Our library houses a huge collection of books and non-textbook material, the use of which is also encouraged. The library is also open to parents.

## ACADEMIC INPUT

Our academic year commences in April. The medium of instruction is English. English, Hindi, Math, Science and Social studies are compulsory subjects. Gujarati, Sanskrit, French and Marathi are offered as optional /additional subjects. The assessment of students consists of regular tests, term tests as per **CBSE** guidelines.

Games should be such that, it develops a child's body and intellect. Every child will play games of his or her interest. Our school

provides excellent sports

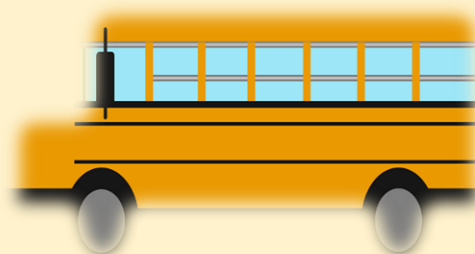

facilities for games like chess, table tennis, badminton, and carrom. Our students also participate in DSO and CBSE state-level competitions.

## Co-Curricular and Creative Activities

Art, Music, Dance, and Drama are incorporated in the syllabus right from Nursery. We have a special educator to help the weak students to achieve their optimum level. Arts and craft, Science and Social Science Exhibition, Annual Sports, Annual Concerts, Summer camp, Educational trips, Annual long trips, Celebrations of festivals, and highlighting important days is a very much a part of our day-to-

day activities. This gives the children a sense of pride in the National and Cultural heritage of India. Debates, dramatics, and a value-based morning assembly emphasize the school's secular approach.

**Annual Fests:** With the school's 100% participation policy, every student from kindergarten to Class X, participates in events that display their talents and aptitudes. Students present these skills to their parents in a grand function that is celebratory and euphoric, filling everyone with a deep sense of pride for the school and its students.

## **A Step Forward...**

We have a moral obligation to help the children in our school to grow towards becoming complete human beings and to feel successful. Imparting knowledge is not enough. The overall development of children is equally important. Technology provides flexible and reliable programs and a conducive environment for E-learning.

E-learning brings a complete transformation in the class. It improves teachers' effectiveness in teaching and the academic performance of the students. The classroom turns into a lively learning platform for students. Teachers can choose from a mix of teaching tools such as graphics, sounds, animations, and videos to make the class more interesting.
